- Operating Rooms & Surgical Suites
- Physician Offices & Outpatient Clinics
- Endoscopy & GI Centers
- Infusion & Oncology Centers
- Dialysis & Renal Clinics
- Sterile Processing & Decontamination Areas
- Pharmacies & USP <797>/<800> Compounding Spaces
- Hospitals & Multi Site Healthcare Networks

Regulatory Alignment

- **AmbulatoryReady®** – Facility readiness cleaning for physician offices, urgent care, imaging, wound care, dialysis, and outpatient clinics
- **SurgerySuite360®** – Complete ASC cleaning, turnover, and infection prevention program (pre op, procedure rooms, PACU, sterile corridors)
- **OR360®** – Case to case turnover, terminal cleaning, and high level disinfection for operating rooms
- **EndoSuite360®** – Specialized cleaning for GI & endoscopy procedure rooms and recovery areas
- **InfusionCare™** – High touch infection control cleaning for infusion and immunocompromised environments
- **PharmacyClean USP+™** – Regulatory aligned cleaning for USP <797> & <800> pharmacy spaces
- **SterileFlow™** – Precision cleaning for Sterile Processing & Decontamination (SPD) environments
- **IsolationClean ICRA™** – Enhanced cleaning for isolation rooms and ICRA controlled areas
- **DialysisCare™** – Between session and terminal cleaning for dialysis treatment suites
- **MobilCare™ (Rolling Stock)** – Cleaning and disinfection of wheelchairs, stretchers, IV poles, carts, and mobile equipment

Advanced Disinfection & Technology

- **UVC Lighting Programs (Leviant FMUV)** – >99.9% microbial reduction in 90–120 seconds
- **Electrostatic Disinfecting (Clorox® Total 360®)** – Full 360 degree surface coverage
- **IoT & Sensor Driven Disinfection** – Cleaning triggered by occupancy and risk data
- **Autonomous Robotics** – Floor scrubbers, vacuums, and UV C units with LIDAR navigation
- **Smart EVS Scheduling & Automation** – RTLS, workflow automation, and real time alerts

Floor & Surface Care Services

- **UltraVinyl FloorCare Systems** – VCT, LVT, and resilient flooring maintenance
- **FiberCare™ Appearance Management** – Carpet, upholstery, panels, and textiles
- **CeramaGlaze™ & CeramaCare™** – Ceramic, porcelain, and hard surface floor programs
- **RubberShield™** – Rubber flooring care with optional 5 year warranty
- **EuroStone™** – Natural stone, marble, terrazzo cleaning and restoration

Inspection, Quality Assurance & Compliance

- **OrangeQC® Digital QA Platform** – Inspections, scoring, photos, dashboards, and reporting
- **Fluorescent Marker (UV Gel) Testing** – Visual verification of high touch cleaning
- **ATP Testing** – Rapid measurement of organic residue after cleaning
- **Continuous survey readiness** for Joint Commission, AAAHC, CMS, DOH, OSHA, CDC
