

# SAFE, HEALTHY & HIGH-PERFORMANCE CLEANING SOLUTIONS FOR MODERN LEARNING ENVIRONMENTS

## Who We Serve

- Early Childhood Education & Daycare Centers
- K-12 Schools (Elementary, Middle, High School)
- Colleges & Universities
- Trade, Technical & Vocational Schools
- Administrative Buildings, Gyms & Athletic Facilities

## Core Cleaning & Disinfection Services

- Daily janitorial and environmental cleaning services
- Classroom, lecture hall, and lab cleaning
- High-touch surface disinfection (desks, chairs, door handles, railings)
- Restroom, locker room, and shower sanitation
- Cafeteria, kitchen, and food-service area cleaning
- Library, media center, and common-area cleaning
- Day porter and mid-day support services
- Break, holiday, and summer deep cleaning

## Advanced Floor Care & Surface Maintenance

- UltraVinyl FloorCare Systems – VCT, LVT, vinyl, and resilient flooring maintenance
- FiberCare™ Appearance Management – Carpet, upholstery, panels, and soft-surface textiles
- CeramaGlaze™ & CeramaCare™ – Ceramic, porcelain, and hard-surface floor programs
- RubberShield™ – Rubber gym and athletic flooring care with optional long-term protection
- EuroStone™ – Stone, terrazzo, marble, and decorative surface maintenance
- Slip-resistance support and appearance management

## Robotics & Smart Cleaning Technology

- Autonomous Floor Scrubbers & Vacuums – Consistent, efficient cleaning for large hallways, gyms, and common areas
- UV C Disinfection Robots – Supplemental disinfection for classrooms and high-risk spaces
- Smart Scheduling & Automation – Cleaning aligned to occupancy, events, and school schedules

## Quality Assurance & Accountability

- OrangeQC® Digital Quality Platform – Centralized inspections, scoring, photos, and documentation
- Mobile inspections (custom forms)
- Tickets / Work orders + corrective action
- Scheduling + inspector “to-do lists”
- Dashboards + reporting (client-facing and internal)
- Turn OrangeQC into your “Service Request + QA Command Center”

## What Sets Pinnacle Apart

- Trained, professional, and background-checked staff
- Flexible staffing aligned with academic calendars
- Scalable services for events, sports seasons, and enrollment surges
- Technology-enabled cleaning and real-time visibility
- Focus on safety, cleanliness, and positive learning environments
