

Janitorial / Maintenance

Planned Building Service, founded in 1898, has a proud history in the janitorial and building maintenance industry. Our mission is to make buildings cleaner, resulting in better and healthier environments for the tenants, residents and associates of the communities and businesses we serve.

Concierge / Front Desk

Planned Lifestyle Services' provides our clientele with the highest level of professional service and responsiveness. Our Lifestyle Services division provides front desk, concierge and doormen services for corporate, commercial, retail and residential customers.

Security

Planned Security Services' objective is to make buildings safer and more secure, and as a result improve the lives for the tenants, residents and communities that we service. Planned's passion is providing customized security solutions, tailored to fit our clients' unique needs.
